

site map Bauplan Nord

From Kappeln (B199)

You are already on the B 199. At the end of this street please turn to the right and follow the course of the road (Ballastbrücke).

After a few minutes you can see the industrial harbour of Flensburg. This street is called Kielseng. Please follow this street and turn at the gateway to Sonwik to the left. Follow this street and take the second avenue to your left side.

You are now on the Fördepromenade. After a few metres you see our office building and our customer parking places on the right side.

Hamburg motorway A7

Please take junction Stellingen in the northern direction (Flensburg). Leave the motorway at the exit Flensburg and follow the B200 in the direction of Husum, Glücksburg, Flensburg. Turn off the B 200 at the exit Rude.

Please turn to the right at the cross-way and follow this street (Husumer Straße).

Follow this street (Munketoft)

Please turn to the left at the traffic light. This street is called Schleswiger Straße.

Turn to the right at the next possibility (Friedrich-Ebert-Straße).

Please follow the street (Süderhofenden) and turn to the right into Hafendamm (B 199).

After a few minutes you can already see the industrial harbour of Flensburg. This street is called Kielseng. Please follow this street and turn at the gateway to Sonwik to the left. Follow this street and take the second avenue to your left side. You are now on the Fördepromenade. After a few metres you see our office building and our customer parking places on the right side.
